POPE

PROJECTS OUR PARISH ENVISIONS

What is POPE?

POPE is the acronym for our new renovation fund—Projects our Parish Envisions. The BMR (Building, Maintenance & Repair) collection will be going away and will be replaced with our new monthly POPE collection. The renovation project will occur in phases, so our POPE collection will happen in phases as well, allowing you to contribute to specific projects.

Phase I projects are:

- **Permanent Baptismal Font**
- **Recovering of assembly chairs in the worship space**
- **New Roof & Flooring in the worship space**

How to donate toward the projects:

Opportunity for giving will begin in February. New green POPE envelopes will be mailed to you shortly for placement in our monthly POPE collections. You may also give electronically, if you choose, by picking up a green form in the narthex or front office.
